

Pinot Grigio

Friuli Colli Orientali DOC

*
WHITE WINE

Grape variety

100% Pinot Grigio.

Soil

Marly-Arenaceous.

Winemaking

The destemmed grapes undergo overnight cold maceration, followed by soft crushing and fermentation in stainless steel vats under a controlled temperature with periodic battonage. The wine is then ready to be bottled.

Colour

Brilliant and intense with a copper, onion skin hue.

Tasting notes

An elegant wine that offers pleasant notes of fruit and flowers. In the mouth it is firmly structured and well-developed with excellent length

Food pairing

It pleasingly complements appetizers, vegetable dishes, light soups, and white fish and meats.

Harvest

By hand

Serving temperature

10 – 12 °C
